TEA Party

A green-tinted image of the Statue of Liberty is positioned behind the word 'Party' in the 'TEA Party' title. The letters 'T', 'E', and 'A' are stylized with a green, textured pattern and are set against a white background that looks like a torn piece of paper. The background of the entire poster is a textured, brownish-gold color with blue wavy lines at the bottom.

On the anniversary of the Boston Tea Party, we will gather to celebrate
234 years of progress towards the philosophical ideals of our
Declaration of Independence
